

**Operating conditions**

Temperature -70°C to + 80°C  
 Speed 1 m/s  
 Fluids air with or without lubrication

**Materials**

Standard HDPE

**Assembly**

Eliminate any cutting edges and flash in the housing to permit assembly and prevent damage to the seals during mounting. The same applies to the rod, a lead-in chamfer should be present instead.

**Please contact us for applications approaching maximum values.**
